PUBLICATIONS IN CONTINUING EDUCATION

(SUPCE)

Syracuse University Publications in Continuing Education (SUPCE) was founded in 1968 to help meet the demonstrated demand for quality studies in the field of adult and continuing education. At this time all of the various publications related to Adult/ Continuing Education were reviewed. As early as 1950, University College had published a series of "blue books." After 1964, the Library of Continuing Education developed some publications. Likewise, ERIC had initiated some documents which Syracuse University published alone or in cooperation with other organizations or associations. All of the above and other publications either individually or in series were collected under the general rubric of SUPCE. An editor was appointed to head the newly organized program in September 1968, reporting to Alexander N. Charters, then Vice President for Continuing Education.

In 1969, the Ford Foundation announced approval of a five-year grant to Syracuse University of $100,000 "for activities which would assure the continued availability, distribution and servicing of materials developed by former grantees of the Fund for Adult Education (FAE). These grantees were the Center for the Study of Liberal Education for Adults (CSLEA), the American Foundation for Continuing Education (AFCE), and Syracuse University. The University Council for Education for Public Responsibility (UCEPR) also contributed to the cost of preparing and printing some publications which were related to its program.

As indicated previously, various colleges and units of the University have made a contribution in terms of time of faculty and staff both as part of regular university load and as a contribution. A part of the regular part of load time of the Editor may be considered as a contribution to SUPCE by the School of Education.

CSLEA had been established in 1951 to work with universities seeking to initiate or improve programs of liberal education for adults. In 1964, CSLEA became affiliated with Boston University. In 1968, CSLEA was terminated. Its entire inventory of publications, with copyright and sales rights, were transferred to Syracuse University. Using its own imprint, SUPCE commissioned additions to the Notes and Essays and Occasional Papers Series of CSLEA. It also added the Landmark series and the series of presentations made by recipients of the William P. Tolley Medal for Distinguished Leadership in Adult Education.

AFCE was funded in 1947 to develop study-discussion and individual reading programs for adults. Its readings in government, science, and art were issued through commercial publishers, such as the Oxford University Press. The AFCE Board of Directors voted in May 1969 to make Alexander N. Charters President and to move their programming office to Syracuse University. Its copyright and sales rights were transferred to SUPCE. The AFCE was later dissolved as a separate corporation in August 1973, with its assets and copyright assumed by Syracuse University. SUPCE has a relationship with Publications in Education of the School of Education.

Attached is a complete list of SUPCE publications, including those of the CSLEA, AFCE and other titles. The title and author of each publication is followed by five columns. These columns represent the following:

- Syracuse University Archives call number;
- Library of Congress call number as denoted in the Ernest S. Bird Library at Syracuse University;
- ERIC call number;
- Clearinghouse of Resources for Educators of Adults (CREA) call number;
- Holdings in the personal collection of Alexander N. Charters.

The list of publications in print may be obtained from and orders placed with:

Columns marked "I.P." are currentlv "in process".

As with most ventures in adult and continuing education at Syracuse University, many persons have made contributions to SUPCE. The contributors including the authors have given of their time and talents and in almost all cases have received no financial remuneration. Ms. Diana Ironside, then Assistant Director of ERIC/AE provided leadership to SUPCE during its formative stages. Dr. Doris Chertow, ad editor 1969-77, served as a substantial leader fulfilling almost every role at some time. The program and the list of publications during her tenure are impressive. Ms. Margaret Hinton and Mr. Burton Sisco have served as an able assistant to the Editor. Mr. Dilnawaz Siddiqui and Mr. Ralph Brockett are currently assisting the Editor. Mrs. B.J. Vaughn, as usual, provided advice and suggestions and also served as a real expeditor in processing the publications.

A. NOTES AND ESSAYS AND REPORTS SERIES IN CONTINUING EDUCATION FOR ADULTS

SUPCE sponsors the monograph series originated by the Center for the Study of Liberal Education for Adults. The Center's stated purpose was "to help American higher education institutions develop greater effectiveness and a deeper sense of responsibility for the liberal education of adults."

Notes and Essays are primarily philosophical and theoretical statements dealing with the liberal education of adults. Numbers 1-58 were published by CSLEA. Numbers 59-72 were published by SUPCE.

Reports cover a wide variety of activities or research related to adult education.

B. OCCASIONAL PAPERS SERIES (CSLEA)

This special series is devoted to documents which, though prepared in a specific context and for a limited audience, were judged to be of general interest. Accordingly, they merited wider distribution than the audience for which they had been developed. This series later replaced Notes and Essay Series of SUPCE. Numbers 1-17 were published by CSLEA, 18-46 were published by SUPCE.

C. LANDMARK AND NEW HORIZONS SERIES

During 1969, A.A. Liveright planned a volume of autobiographical essays by leaders in the field of adult and continuing education. In the biographies, the authors would relate their experiences and assess their contribution to the field of continuing education. Inspired by A.A. Liveright's idea, Alexander N. Charters began the series of essays, Landmarks and New Horizons in Continuing Education. These events mark specific points of turning or progress in the development of the field of adult education.

D. WILLIAM PEARSON TOLLEY MEDAL SERIES

The William Pearson Tolley Medal for Distinguished Leadership in Adult Education is an award conferred not more than once a year by the Syracuse University Board of Trustees for "distinguished leadership to Adult Education." At the occasion of the award of the Medal, each recipient makes an address. The published presentations form the Series.

E. PAPERS ON ADULT EDUCATION - UNIVERSITY COLLEGE PUBLICATIONS (Blue Books)

University College was reorganized in 1946 as the adult education division of Syracuse University. It was granted equal status with the other seventeen colleges and schools of the Syracuse University complex.

"Papers on Adult Education" (Blue Books) is a series of papers on Adult Education originated by University College in 1955, covering many phases of adult/continuing education as well as community and world affairs. These booklets were discontinued in 1965.

F. AMERICAN FOUNDATION FOR CONTINUING EDUCATION PUBLICATIONS

The Board of Directors of the American Foundation for Continuing Education voted in May 1969 to move their programming office to Syracuse University. This action was taken in compliance with specifications of a grant from the Ford Foundation to the University. All former publications of the AFCE became the property of SUPCE.

Since its creation in 1947, the objective of AFCE was to develop study-discussion and individual reading programs for adults. It also served corporations, trade unions, government agencies, and national and local organizations. Materials were drawn from the best thought and writing in politics and economics, philosophy and history, art and literature, and physical and natural science. Each program was designed to illuminate an important topic through a series of readings offering a confrontation of viewpoints and ideas.

G. FUND FOR ADULT EDUCATION PUBLICATIONS

During the period of its existence FAE supported many Adult Education agencies, programs and organizations. Most of these agencies published many significant titles in Adult Education. The Fund for Adult Education also published a few items under its own name.

H. ERIC CLEARINGHOUSE ON ADULT EDUCATION

The ERIC System began in November 1965. The ERIC/AE was located at Syracuse University from 1967 until 1972. It was then incorporated into ERIC/Career Education which was set up at Northern Illinois University and is

presently located at Ohio State University. It is called ERIC/Adult Career and Vocational Education. Some publications were published by ERIC/AE and others were published in cooperation with other agencies and organizations.

I. SINGLE PUBLICATIONS

SUPCE developed many publications or series and other publications were by design parts of series. At other times some items seemed to stand by themselves, but it was important that they be both preserved and made available.

J. MS SERIES

A series was begun in 1978 as an outlet for papers, records or documents that are of significance to a limited audience. In many cases publications are typed, reduced and then duplicated.

K. CLEARINGHOUSE OF RESOURCES FOR EDUCATORS OF ADULTS

The Clearinghouse Resources for Educators of Adults was established at Syracuse University in November 1975. It is funded through the Division of Continuing Education of the State Education Department. It publishes and disseminates a Newsletter and the Federal Register Review on a regular basis. From time to time it produces other documents such as bibliographies. In order to obtain wider distribution of some of the publications of CREA it may be sold at cost by Syracuse University. CREA is separate from SUPCE.

L. SYRACUSE UNIVERSITY RELATED PUBLICATIONS

From time to time there are other items that are developed by or published by other faculty members or members of Syracuse University. These publications are separate from Syracuse University Publications in Continuing Education (SUPCE).

M. LIBRARY OF CONTINUING EDUCATION AT SYRACUSE UNIVERSITY

In order to meet special needs from time to time, it was appropriate to put out special publications. One of these series related to the centennial of Syracuse University and another one to the publication of directories. Some of these publications were put out by the staff involved with the Library of Continuing Education and some were by the administrators of adult education programs.
